Vaulting

Vaulting is a performance sport and originates from Roman times. It is best described as "gymnastics and dance on horseback".

Vaulters perform compulsory and freestyle moves to music on a moving horse at either walk or canter. This is done individually, in pairs or in a squad. This fun sport for all ages promotes co-ordination, balance, physical health, self-esteem, the ability to work as a team member and lifelong friendship all linked by the overwhelming love and trust of a horse. It enhances one's balance and riding seat so horse riders benefit also. A truly amazing world-wide sport with teams and clubs operating in a vast variety of countries.

- Individual Preliminary Trot/Walk/Technical Test
- Individual Pre-Novice + Technical Test
