How does Scoring work?

27. A horse/rider combination may only compete at one Pony Club Leaderboard event per day.
28. If more than one test or class, per level or height, per day is scheduled at an event, placings will be awarded to:
 - The class identified as the leaderboard class in the event entry pack;
 - The highest placing per day per level, if a class has not been identified in the event entry pack;
 - The only exception to this is the Active Riding Leaderboard where each class can receive 1 placing per day (Classes refer to: PPMG Final Score, Per Novelty, Pony Club Mount/Active Riding Challenge).
29. Where a rider is riding two rounds at the same grade at the one event (i.e. Hickstead/Hunter Trials) then only placings from the first round will be scored.
30. If the age category of a class does not equate to the Sports Leaderboard age categories, riders will be awarded points for the actual place achieved in the class regardless of their age.
31. Riders who enter a class they are not eligible for, will not receive points for placing in that class.
32. Points earned in a lower grade cannot be carried over to a higher grade.
33. A horse/rider combination can be awarded points and place in two grades.
34. Points are awarded on the following basis:
1st = 7pts, 2nd = 6pts, 3rd = 5pts, 4th = 4pts, 5th = 3pts, 6th = 2pts, and 1 point for participation.
35. When there is an equality of points countback will award the horse and rider combination who has the greater number of wins, then second placing, then third placings.

Disciplinary Action

36. If a member is suspended by Pony Club WA for any matter other than medical suspension, they will forfeit their right to participate in the Sports Leaderboard Series.

Clubs can advertise classes as Sports Leaderboard eligible, OR, if not specified, the Sports Leaderboard Coordinator will allocate points to a rider's highest placing in that leaderboard level on the day. This could mean that 2 riders receive the same number of points for a leaderboard level at an event even though they competed in or placed in different classes.
47. Age is at 1 January of the current year.
48. All events must have Pony Club WA or EA Accredited Officials.
49. The event must be open to all Pony Club WA Junior and Senior Members.

54. All horse and rider combinations that upgrade during the Sports Leaderboard season will receive 5 upgrade points.

57. Upgrade points will only be credited after 2 completions at the higher grade.
58. Only one set of upgrade points per horse/rider combination will be awarded in a Sports Leaderboard season.
59. In the case of more than one upgrade being completed, upgrade points will be awarded to the first upgrade.
